

CONNECTION FEES AND WATER RATES/WATER TARRIF

The procedure for the supply of safe drinking water and monthly payment of rate is done by issuance of bills and receipt to all customers by the Zonal Managers during and after the payment processes.

There are two (2) types of Tariffs with following categories

(A) Domestic

- (i) Low density - ₦300/Month
- (ii) High density - ₦ 1000/month

(B) Commercial Places

- (i) Small - ₦3000 - ₦ 5,000
- (ii) Medium - ₦ 5,000-10,000
- (iii) Large - Above ₦10,000 depending on the volume and frequency of usage
- (iv) Water Tanker (s) = ₦1,000

The connection form must be purchase at cost of (₦1,000) and duly sign by the General Manager before payment for connection is made.

CONNECTION FEES

(A) Domestic

- (i) Low density/High density ₦10,000 + ₦1,000 (form) = ₦11,000
- (ii) Commercial/Constructions ₦30,000 + ₦1,000 (form) = ₦ 31,000
- (iii) Large Constructions the connection fees is proportional to the diameter of pipe needs to be Connected

Most of the connections is the sole responsibility of the District office but Interconnection are done by the Department of Project & Design of the Headquarters.

Attached, is a copy of State Water Board's Laws for your further necessary actions. Please.
